

## Register and Win Prizes!

The library has set a goal for participants to read 20,000 books during the summer programs. To help the library reach that goal, track the number of books you read during the seven-week Daring Deeds and Reads program.

Register and track books from a home computer or at the library's Daring Deeds and Reads reading station. To track books, create an online book log on the library's Web site: [library.fauquiercounty.gov](http://library.fauquiercounty.gov). Registration begins June 1 and continues throughout the program.

Each registered participant will receive a Daring Deeds and Reads game card with instructions on how to earn a spin of the prize wheel. Teens who complete the Daring Deeds and Reads game will also receive special recognition at a party in August.
